..F.i.n.a.n.c.i.a.l....*Department.*

SIR,

Referring to Government Order No.85-87/Muz.342-30-2 dated 15th July 1931 sanctioning the continuance of the special staff for the -- management of the Kalasa Temple forest lands, I have the honor to forward herewith the plan of operations of the forests prepared for the -- current year and received in this office with the Chief Conservator's letter No.D.3.175-1883/30-31 dated 23rd April 1931. The Conservator's letter dated 19th March 1931, a copy of which is enclosed in the records explains the scope of operations during the current official year which is based on the working plan report approved in Government Order No. 1065-8/Muz.271-25-3 dated 23rd November 1929. The plan of operations makes provision for a revenue of Rs.9850/- and an expenditure of Rs.361/- to realize the revenue as also for the execution of several works connected with the conservancy and improvement of the growing stock inclusive of the cost of establishment. Exclusive of the cost of establishment for which provision has been made in the temple scale, a sum of Rs.2455/- may be said to be required to conduct the operations during the year -- 1931-32.

The Deputy Commissioner of the Kadur District who was consulted in the matter is of opinion that the expenditure may be sanctioned with a view to improve the forests and their capital value and to make the annual return progressive and permanent.

I request that in the above circumstances a sum of Rs.2455/- may be sanctioned from the funds of the temple and ordered to be placed at the disposal of the Chief Conservator as an advance, subject to final

adjustment at the close of the year on the Forest De
rendering an account of actual expenditure incurred by them
working out the plan of operations. The Temple had a cash balance
of Rs.3[illegible],7[illegible]-6-10 on 30th June 1931.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Copy of letter No.E.389-1594/30 dated 8-5-1931, from the Chief Conservator of Forests in Mysore, Bangalore, to the Muzrai Commissioner in Mysore, Bangalore.

I quite agree with the view of the Conservator of Forests, Shimoga Circle in this matter. Action may therefore be taken to obtain the orders of Government for further continua of the staff for another year from 1st July 1931.

*****

With reference to your No.F.268-1576-30 dated the 4th ultimo, regarding the continuance of the Forest staff in connection with the management of lands belonging to Kalasa Temple, I have the honour to state that the Range Officer in his No. 633 dated the 5th instant, reports as follows:-

(b) A nursery was formed over an area of 5 acres wi Hebbalasu and ever green species for being planted out in forests.

(c) 400 acres were dibbled with Sandal seeds.

(d) The Working Plan Report of the Kalasa Inam lands has been sanctioned and the forests are to be worked according to its provisions.
